

WORKING WITH THE COMMUNITY

Who are we and what do we do?

This is the official newsletter for the Parish Council and a new resource for news and information about all aspects of village life.

The Parish Council is committed to working for the good of the whole of the area and wants to hear your views on what we should be doing to support the local community.

Who's Who on your Parish Council

The Parish Council consists of eight elected Parish Councillors who serve for four years. They are volunteers and receive no payment. They make the decisions at the monthly Council meetings. You are welcome to contact any Parish Councillor to discuss Parish Council business.
