### WORKING WITH THE COMMUNITY

## Coronavirus Community Response

At this difficult time we want to look after the most vulnerable members of our community and in particular older residents.

Our proposed volunteer scheme is about helping vulnerable residents.

The Parish Council has limited powers and responsibilities in respect of public health, it can however act as a voice for the community.

The Parish Council can also help coordinate community response to the current situation.

We want to make sure that nobody with our community is left isolated without any help or support.

If you are self-isolating for whatever reason **we can help!**

Please do not struggle and venture out.

Our Councillors are in the village and can help with things such as:

- Picking up shopping
- Posting mail
- Urgent supplies
- Collecting prescriptions
- A friendly phone call
- Walking pets

Please contact one of our Councillors or Clerk should you need any help (for free).

Please be cautious, we have been made aware that some people have already been contacted and have not delivered goods/supplies. Please use the Parish Councillors services or someone you know and trust.

Remember: Coronavirus is contagious. Avoid physical contact (2m distance). Wash your hands regularly. All items can be left on your door step.
