

Dog Fouling on the Village Green

The Parish Council have received numerous complaints concerning dog fouling on both the village green and along footpaths. This is totally unacceptable.

Please pick up after your dog at all times. If residents feel that more dog poop bins need installing then please contact the parish council, let us know where you would like them placing and we will arrange for more to be installed.

On a more positive note a big thank you goes out to all the responsible dog owners who always pick up after their pets to help keep West Halton and Coleby clean and safe for all. Let's all enjoy our beautiful villages and surrounding countryside.
